Thoroughbred · Newmarket July Course: the run-in

Site plan, 11 Nov 2026, as the race view draws it today. To scale, metres from the winning post along the straight and from the inside rail across it. Stand side at the top; the horses run right to left.
Cream: the stands and buildings; white with a letter: site pieces (codes below); green circles: trees (darker = the planting belts along the walls); brown dots: the crowd; little bars: advertising boards in their colours; double white line: the boundary walls; olive band: the Dyke; dashed outlines: the two festival areas; blue: the main cameras.

To mark up: write a letter where you want a piece (an arrow for which way it faces), cross out any to remove, circle areas to plant or clear.

Codes (site pieces on this plan)
